

Section 3 – External Auditor’s Report and Certificate 2024/25

In respect of

MILTON MALSOR PARISH COUNCIL – NH0160

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-auditpractice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2024/25

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2023/24 for the exercise of public rights, by answering ‘Yes’ to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered ‘No’ to this Assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering ‘Yes’ to Section 1, Assertion 7, which, on the basis of the above, is not correct. This is consistent with the Internal Auditor’s response to Internal Control Objective M.

Information has come to our attention from the internal auditor highlighting the fact that the smaller authority does not have an email management system in place whereby it has an email account that belongs to the smaller authority and to which the smaller authority has access.

Section 1, Assertions 2 and 5 have been incorrectly completed, due to inadequate maintenance of an asset register and no review of risk assessment being carried out. This is consistent with the Internal Auditor’s response to Internal Control Objectives C and H.

Information has come to our attention from the internal auditor highlighting the fact that Notice of conclusion of audit was not published on the authority’s website by the dates specified in the Accounts and Audit Regulations 2015. This is consistent with the Internal Auditor’s response to Internal Control Objective N.

The AGAR was not accurately completed before submission for review. The smaller authority has not addressed the ‘except for’ matters raised by the external auditor when qualifying the prior year annual return. As we reported last year information had come to our attention that assets purchased during the year had not been included in Section 2, Box 9. Section 2, Box 9 for the prior year has not been restated.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2025/26 for the exercise of public rights, since the notice regarding the period for the exercise of public rights was not published before the start of the period. As a result, the smaller authority must answer ‘No’ to Assertion 4 of the Annual Governance Statement for 2025/26 and ensure that it makes proper provision for the exercise of public rights during 2026/27.

The smaller authority has not provided an adequate explanation for the variance between the prior and current year values in Box 3 of Section 2.

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
